

NATIONAL DEFENSE AUTHORIZATION ACT

Supplier/Manufacturer: Para Systems, Inc dba/ Minuteman Power Technologies
Address: 2850 Lake Vista Drive, Suite#110, Lewisville, TX 75067
Subject: Compliance Statement
Date: November 5, 2025

In accordance with Section 889 National Defense Authorization Act, (NDAA), Para Systems, Inc. hereby confirms the following:

Para Systems, Inc. does not include any covered telecommunications equipment or services produced by the following organizations, or their subsidiaries as a substantial or essential component of any manufactured product, or as critical technology as part of any manufactured product:

Dahua Technology Company
Hangzhou Hikvision Digital Technology Company
Huawei Technology Company
Hytera Communications Corporation
Kaspersky Lab
ZTE Corporation

Para Systems, Inc. has conducted a reasonable inquiry into its internal operations and supply chain controls to ensure compliance with NDAA Section 889 requirements.

Should any covered equipment or services be identified that affect Para Systems' compliance, Para Systems will notify all relevant entities immediately in writing.

This statement is made in good faith and reflects our commitment to full compliance with applicable federal regulations.

Please feel free to contact us if further documentation or clarifications are required.

Sincerely,

Kevin Canole
Director of Business Development – single Phase
Para Systems, Inc.
